Teen-friendly: Our popular booklet/magazine format (colorful eight-page units) involves teens with photos, with contemporary readings, and with lively, interactive things to do – all in language they “get.”

Parish-oriented: Lessons are developed especially for parish programs so they fit your allotted time spans, “feel right,” and are easy to teach (for eight sessions, 60 to 90 minutes each).

Complete: Prayer, sacraments, Scripture and service are explored in depth, leading to a stronger relationship with Christ and his Church and a deeper commitment to living out faith and values.

Affordable: We’re more affordable than any other complete program. If you find a better-priced program, let us know and we’ll match that price.

Candidate and catechist editions of both courses have been found to be in conformity with the *Catechism of the Catholic Church*.
