Sacramental Preparation for Primary Grades

These sacramental preparation programs have been found to be in conformity with the *Catechism*.

- Challenging, exciting materials capture children's attention with interactive stories and activities – plus colorful stickers to reinforce important concepts.
- Take-home leaflets for each lesson involve parents and families in ways other formats can't.
- Clear, direct guidance for catechists and parents makes lessons easy to prepare – and more effective.
- Affordable pricing – more affordable than any other program found to be in conformity with the *Catechism* – responds to the call from parishes for quality materials at a reasonable cost.
