

Simplified Version of The Parable of the Vine and Branches

Jesus says,
I am the true vine,
and the Father is the gardener.

The vine bears fruit.
The vine has branches,
and the fruit grows on the branches.
If a branch does not produce fruit,
the Father cuts off the branch.
If a branch produces fruit,
the Father cleans the branch,
And it produces a lot of fruit.

I am truly the vine.
You are the branches.
You are cleaned by the Word of God.

Remain with me.
Stay on the vine.
Remain in me.
You will produce fruit.
If you are far from me,
you will not produce fruit.
If you are far from me,
you cannot do anything.
